Redemption Window Opens – the date on which unitholders may submit redemption requests.

Redemption Request Deadline – the date by which the BXINFRA must receive redemption requests submitted by unitholders. If a redemption request is received after 4:00 p.m. (Eastern Time) on the Redemption Request Deadline, such request will not be executed and, if a unitholder still wishes to have its units redeemed, the request will need to be resubmitted after the start of the next calendar quarter.

Any unit redemptions will be made in accordance with, and subject to the conditions of, BXINFRA's unit redemption plan and its limited partnership agreement, each as amended or amended and restated from time to time. BXINFRA's General Partner may choose to redeem fewer units than have been requested in any particular quarter, or none at all, in its discretion at any time. A copy of BXINFRA's latest unit redemption plan and limited partnership agreement can be found in our periodic filings with the U.S. Securities and Exchange Commission, which are accessible on its website at www.sec.gov or at BXINFRA's website at www.BXINFRA.com.

(1) Dates are estimated as of April 2025 and are subject to change.

(2) Settlements of redemptions will generally be made within three (3) business days of the redemption window close pursuant to a binding, non-interest bearing, non-transferable promissory note issued by BXINFRA and held by the transfer agent for the benefit of all redeeming Unitholders. Pursuant to the terms of the promissory note, BXINFRA will pay the cash amount due under the promissory note to redeeming Unitholders on or before sixty-five (65) calendar days after the redemption window close.
